Animation Demo Reel

About Me

I'm a 3D Character Animator with a deep love for film, television and video games, with a love for meeting and learning from new people everyday.

Work Experience

Junior Animator | Sparky Animation - Singapore *March 2021 - Present*

- Did Character Animation for Television Series "Saarlodris",
- Used Storyboards and Animatics to create strong character animation and poses
- Communicated and collaborated with Lead Layout Artists, to develop stronger animation for television

Intern - Technical QA | Sidefx Asia - Singapore *March 2016 - April 2016*

- Studied Houdini Tutorials and did QA testing for Houdini 2018
- Animated with the practice rig made in Houdini, to test animation mechanics in Houdini.
- Did QA Testing for Houdini 2018

Intern - Mo-Cap Cleanup | Lighthouse Evangelism – Singapore *March 2015 - May 2015*

- Learned to maneuver within the Houdini interface to create animation
- Animated various walk-cycles, and cleaned up Motion Capture WalkCycle Animation within Houdini.

Education

- 3Dsense Media School - Singapore

WSQ Diploma in Animation

November 2019 - November 2020

- Created Organic 3D Models in Zbrush, and applied knowledge of Anatomy to 3d Sculpt
- Applied Advanced Body Mechanics to character motion to create cinematic shots.
- Applied Acting Fundamentals to convey strong emotions through characters
- Received the Top Student Award of my Class upon graduation.

- Nanyang Polytechnic, School of Interactive Design Media - Singapore

Diploma – Digital Media Design (Animation)

March 2013 - March 2016
